

## **M RESORT SPA CASINO NOW OFFERING IN-RUNNING BETTING FOR MAJOR LEAGUE BASEBALL AND BELMONT STAKES**

***Resort is first in the US to offer continuous betting throughout sporting events***

LAS VEGAS – (June 4, 2009) – Cantor Gaming, an affiliate of the global financial services firm Cantor Fitzgerald, and the M Resort Spa Casino have announced the addition of Major League Baseball to the growing roster of sports available for in-running betting at the M Resort's state-of-the-art Race and Sports Book. In-running enables the casino's guests to bet on live sporting events before and *throughout* the event.

Further, following the success of in-running during the first two races of the Triple Crown – the Kentucky Derby and the Preakness Stakes - the M Resort will be offering in-running betting during the upcoming Belmont Stakes on June 6.

In-running was launched at the M Resort in March of this year for the NCAA championship and has been running throughout the NBA playoffs.

The first in-running bets during MLB games occurred over the Memorial Day weekend, with guests able to bet throughout the Seattle Mariners-Oakland A's game, as well as during the Los Angeles Dodgers-Colorado Rockies face-off. Cantor Gaming's in-running technology enabled guests at the M Resort's Race and Sports Book to place bets at any time, from the start of the game, right up until the end, on wagers such as the game outcome; the over/under of total runs; and at the top of each inning, on whether either team would score during that inning.

Lee Amaitis, President and CEO of Cantor Gaming, commented: "We are pleased to have introduced in-running for baseball, and as the season progresses we will be providing in-running wagering for baseball on a daily basis. We are also looking forward to the Belmont Stakes this weekend after the success of the Kentucky Derby and Preakness. The M Resort's guests are becoming extremely interested in the new opportunities that in-running offers sports fans and getting really comfortable with the in-running technology. It should make this 141<sup>st</sup> running of the Belmont Stakes a very exciting event at the M Sports Book."

Joseph A. Magliarditi, Executive Vice President and COO of M Resort commented: “We are extremely pleased at the popularity of in-running, particularly given that the concept is brand new to most of our guests. It has made the M Resort’s Race and Sports Book a top destination for sports enthusiasts.”
